

Time and Attendance Solution

About:

SAVIOR offers a Hardware and Software based complete solution for Time and Attendance (T & A), which is ideal for –

- Large Factories
- Corporate Houses
- Government Offices
- Export Houses
- Retail Sector
- Universities and Schools
- Any other

It eliminates the traditional manual register concept and gives the user a flavor of the modern computerized system. It is an ideal companion for an efficient HR and a move towards paper less office.

How does it work?

SAVIOR T & A works in combination of various SAVIOR Attendance and Access control readers.

SAVIOR Readers (Smartcard / Fingerprint / Biometric based) are installed at various entry / exit points where employees can mark their attendance.

The SAVIOR T & A application is installed at the user PC / central server which uses the attendance data recorded by the SAVIOR readers and generates various reports which gives a boost to the HR team.
